

## Sliding Standard

Our standard HE sliding track comes in mill finish aluminum. Quiet running nylon wheels are mounted directly to the top of the door via surface mounted flange.

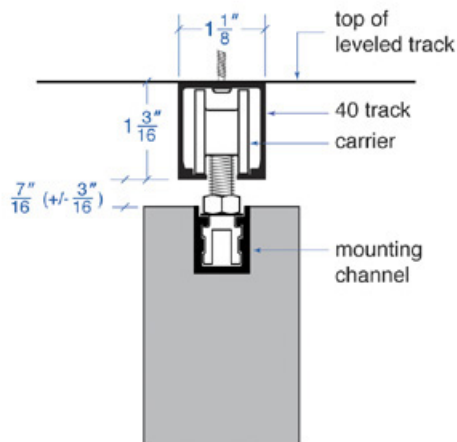

Applies to:
(S) Sliding
(SB) Sliding Bypassing
(SW) Sliding Wall
(SWW) Sliding Wing Wall
(SP) Sliding Pocket
(SPW) Sliding Pocket Wall

## Sliding Low Profile

Our premium 40/b low profile track comes in clear satin anodized aluminum. Silent running nylon wheels are mounted to brackets factory mortised into the top of the door. (Reducing the distance between the top of the door and the bottom of the track.)

Applies to:
(S) Sliding
(SB) Sliding Bypassing
(SW) Sliding Wall
(SWW) Sliding Wing Wall
(SP) Sliding Pocket
(SPW) Sliding Pocket Wall
